FACES, FACES, FACES --- SO MANY
EXPRESSIONS WHICH BLEND AND

BLUR INTO ONE

ONE WHICH

EMERGES ONLY AS
A SEPARATE FACE...

THROUGH ENCOUNTER WITH LIFE . . .

UNDERSTANDING OF LIFE ...

CREATIVITY IN LIFE...

ONE WHICH ASSUMES A UNIQUE
IDENTITY THROUGH THESE ...

EXPRESSIONS
OF
SELF

FOREWORD

Nineteen hundred and seventy-one. One year into a new decade. A year when the catch phrase "doing your own thing" seems to have come to the attention and inspired the cooperation of the world. What is this nebulous "thing?" When does one recognize it? How does one nurture it?

To identify this abstraction is the simplest of the trilogy of questions to answer. This vague "thing" is the development of one's own self. Henry van Dyke said: "Self is the only prison that can ever bind the soul." Once defined, recognition of self comes only when the need for identity is admitted. This admission may come at any period in one's life; however, when the acknowledgement does happen, it requires the understanding and the accepting of the responsibility for self not only as a microcosm, but also as a part of the macrocosm.

With self interpreted and comprehended, the final question of development arises. In order that one's identity may mature, an evolution of one's expressions must take place; an evolutionary process that involves three key stages: expression as encountered in life; expression as understood in life; expression as created in life. Once these are challenged and attempted, the way to complete self-identity is made clear.

Nineteen hundred and seventy-one. One year into a new decade. A year for Definition ... Comprehension ... EXPRESSION ... 1971.

THE CIRCLE K

Dave Dunker, Joe Sigler *President*, Colonel Winfred Meibohm, Buck Cobb. *Not pictured* Scott Bailey *Vice-President*, Al Blom *Secretary-Treasurer*, Rob Draper, Roger Sampson.

Circle K International is a social-service organization for college men, and is similar to the Kiwanis Club. Circle K is a leadership and character-building group which has chapters on some 1,000 college campuses throughout the United States and Canada. The Circle K chapter at Elon College has sponsored collection drives for the Heart Fund, the Cancer Fund, and has planned an ecology drive.

Applying the Circle K International motto, "We Build," the Elon College chapter strives to foster integrity in personal relationships on the campus, in government, and with God.

Third Row: Wanda Peoples, Grace Reece, Jean Holliday, Jill Kwenbark, Sue Bevacqua, Karen Cheek, Virginia Norfleet, Mrs. Frances Longest.

BETA CHI EPSILON

Beta Chi Epsilon was organized to benefit all Business Education and Secretarial students at Elon College. For commuters, Beta Chi Epsilon serves as a source of extracurricular activities. The organization brings its members in contact with the latest office equipment through visits to local business firms and industries.

Seated: Richard Sours, Dr. James Elder, Richard Bennett *Vice President*, Bill Boswell *President*, Susan Caviness *Secretary*, Mrs. Rachel Holt, Mrs. Suzanne Hooper, Dr. Robert Delp. *Standing:* Dr. Durward Stokes, Mr. Gilbert Latham.

Pi Gamma Mu is the National Social Science Honor Society. The North Carolina Alpha Chapter was established in 1929. The society recognizes those faculty members and students who have attained merit in the social sciences at Elon College.

PI
GAMMA
MU

Left to Right: Lee Loy, Delegate; Diane Gerlach, Vice President; Patti Herbin, President; Kay Saunders, Secretary; David Towle, Treasurer.

ALPHA

CHI

Students having at least junior standing with a cumulative grade point average of 3.30, are recognized for outstanding scholarship in the national organization Alpha Chi. Stimulation, development, recognition of scholarship, and those elements of character that make scholarship effective for good, are the main objectives of the group.

First Row: Susan Pell, Mrs. Ester Gross, Mrs. Shelby Bennett, Gail Daniel, Judith Swanson. Second Row: Laurenti Changuion, Charles Moore, Marvin Morgan, Moir Cahill, Elmore Edmonds.

THE VARSITY CLUB

Returning lettermen from all sports are eligible for membership in the Elon College Varsity Club. The club serves to stimulate greater interest in college athletics.

Front Row: Danny Watson, John Davis, Alan Parham, Mike Lawton, John Richardson, Larry King, Howard Pope, Eddie Tysinger, Craig Gill, John Williams, Danny Rascoe, Scott Rush. *Back Row:* Jimmy Twisdell, Curtis Leary, Charles Bradshaw, Bob May, Joe Faulk, Rusty Roberts, Nick Angelson, Al Covington, Dennis Everette, Pete McDaniel, Dean Plott.

THE WOMEN'S ATHLETIC ASSOCIATION

Back Row Gail Beck, Elizabeth Zimmerman, Cindy Holloway, Susie Blosser, Emily Hall, Lorraine Wilkinson, Mrs. Janie Brown, Lynn Cunningham.
Front Row Connie Jennus, Gena O'Berry, Carol Emmett, Ruth Ann Phillips, Kathy Streeter.

The Woman's Athletic Association serves to create greater interest in women's sports. The club strives to promote good sportsmanship and provides recreational activities for women. All women students at Elon College are eligible for membership in W.A.A.

SYNCHRONIZED SWIMMING

Left to Right: Lynda Dickenman, Barbara O'Brien, Connie Jennus, Ruth McAllister, Leslie Young, Charlotte Welch.

The addition of a new pool to the Elon College gym facilities created the opportunity to organize a synchronized swimming team for the first time this year. Under the instruction of Mrs. Connie Jennus, the swimmers have learned various moving and still formations. Coach Kelly, the team's sponsor, has great hopes for the newly formed group.

BOB Best of the Best! Dedicated to the high ideals and traditions upon which Beta Omicron Beta Sorority was founded in 1919, the sisters have committed themselves to make this year the best year in BOB's history. Activities began immediately upon returning to school as we sponsored two successful car washes. Our Back-to-School Picnic was enjoyed by all. The pace never slackened as we moved into rush activities with many creative and unique ideas for rush parties, invitations, and entertainment. A special event was the BOB and ITK Country Shindig and Cookout—a great success. We were really proud of our new pledges, too. Continuing our tradition of active participation in campus affairs and projects, we sisters again joined with our ITK brothers to produce the second consecutive 1st place winner in the Homecoming float competition. Individual service to Elon is evident in that we are proud to have two *Who's Who* members with us as well as two members of Alpha Chi. We're proud that our sisters are holding major offices in the IGC, SNEA, SAM, MTNA, SGA, and the newly developing Pan-Hellenic Council. Several service projects are planned both on and off campus including our annual candy sale. The proceeds from this project go into the Cindy Robertson Memorial Scholarship presented annually by BOB to an outstanding biology student. All these activities make up a successful year of service and it will be highlighted by our formal Spring Banquet. Although quite busy, we can always be found at our "local" address—of which we're quite proud. Drop in and get acquainted with the most congenial group on campus. A superior group of girls all true to the White and Blue—the finest that you'll ever know!

Left to Right: Sue Boyer, Tricia Pollack, Elizabeth Zimmerman, Gwen Wood, Cynthia Coker, Susan Pell, Lisa Chapin, Pam Berry, Lois Matheny, Lynda Dickenman, Charolette Farrior, Donna Turnage, Gale Weatherly.

BETA OMICRON BETA

Phi Mu Fraternity was founded at Wesleyan College in Macon, Georgia in 1852, becoming the second oldest national sorority. Phi Mu also ranks as one of the largest with well over one hundred accredited chapters in the United States as well as overseas.

Gamma Nu Chapter of Elon College was formerly Pi Kappa Tau, a local sorority founded in 1923. Through continuous effort and much hard work the local became the colony, and finally the colony became Phi Mu. With well over thirty members now, Phi Mu takes pride in being one of the top sororities on the Elon Campus. As a chapter much interest has been shown in school spirit, not only with Homecoming, but also with pep posters for every home game. Community service, through projects with the Elon Home for Children, makes up a large part of service activities. Many enjoyable times are also spent when the sisters of Phi Mu team up with the brother fraternity, Tau Kappa Epsilon.

Phi Mu is also proud of the accomplishments of its members. We were represented on the cheerleading squad by Chris Jewel, Anne Sprinkle, and Head cheerleader, Gena O'Berry. Gena also reigned as Homecoming Queen with Janet Lee and Anne Sprinkle on her court. Also among our notable notables were: Karen Paulos, Sigma Mu sweetheart; Patty Herbin, President of Alpha Chi; Mary Sexton, majorette; Janet Lee, Spring Weekend Court; Juanita Newton, Phi Mu sponsor for Homecoming. Phi Mu was also represented by two class sponsors for Homecoming: Cindy Holloway, Junior Class; Pat Jones, Senior Class. *Who's Who* included: Jan Davis, Patty Herbin, and Gena O'Berry. We even had the editor of the Yearbook, Pat Jones. This year the Sweetheart of TKE was Gena O'Berry, with De DeHart as the TKE sponsor.

These are just a few of the things which go to make up the number ONE sorority on campus: PHI MU.

Front: Dale Price, Anne Sprinkle, Brenda Forbis, Pam Layton, Connie Coward, Susie Helsley, Susie Blosser, Janet Lee, Vicke Stinnett, Cindy Holloway, Linda McCrory, Marianne Moore, Karen Paulos, Juanita Newton. *Back:* Chris Jewell, Gena O'Berry, Pat Jones, Mary Sexton, Jan Davis, Nelda Shaw, Myra Ross, Ann Briggs, Stephanie Phifer, Kathy Streeter, Jane Rountree, Linda Hundley, De DeHart. *Not Pictured:* Patty Herbin.

PHI
MU

Sigma Sigma Sigma, the first national sorority at Elon College. The Delta Beta chapter of Sigma Sigma Sigma received its charter after a formal installation weekend on April 25, 1969. From that time we have progressed to success through our everlasting bonds of sisterhood.

Sigmas are active as class officers, SGA, class sponsors, sweethearts, members of the Homecoming court, cheerleaders, majorettes, Liberal Arts Forum, WIDC, *Who's Who*, and have won many other honors.

Among our service projects the newest and most exciting is tutoring underprivileged students at the Maple Avenue Elementary School in Burlington. So far this has been most successful and rewarding. Sigma also sponsored a Shoe Shine at the Holly Hill Mall to raise funds for our Robbie Page Memorial at Chapel Hill, N. C. We are also active in ushering at all Lyceum programs on campus.

Sigma Sigma Sigma—the best—in our bonds forever.

First Row: Emily Hall, Beth Brinckerhoff, Bev Brendle, Carolyn Hairfield, Carole Carlson, Susan Robertson, Becky Kearns. *Second Row:* Diane Crawley, Cathy Brennan, Katie De Wees, Carolyn Stephenson, Linda Boye, Joann Lockwood, Margy Duvall, Pat Russell. *Third Row:* Janet Thornhill, Linda Frank, Kathy Croye, Gloria Royal, Debbie Mackin, Carolyn DeLuca, Kay Bottoms, Pam Spence, Karen Bowery, Sandy Brewer, Kathy Lawson, Debbie Jenkins, Judy Myers, Gail Daniel.

SIGMA
SIGMA
SIGMA

Zeta Tau Alpha International Fraternity was founded at what is now known as Longwood College, Farmville, Virginia, October 15, 1898. There is romance and courage woven throughout the early history of Zeta Tau Alpha, deeply imbedded in the economic history of the country itself. We are proud to say that the 149th link of Zeta was established at Elon College as the Eta Zeta Chapter. The Eta Zeta Chapter was formerly a local sorority, Delta Upsilon Kappa, which was founded in 1918 making it the first sorority on the Elon College campus. In May 1970, Zeta Tau Alpha came to Elon through the diligence and effort of the members of this local sorority.

Zeta Tau Alpha participates in many campus and community activities working together in their unity through sisterhood. Zeta has been successful in many worthwhile projects. The sisters sold programs at football games to earn money to send Christmas packages to young men in Viet Nam. The Zetas worked hard to win first place with the Homecoming display; Zeta also had a sponsor for Homecoming. Zetas are campaigners! During the November election, one could find Zetas walking door to door in the community campaigning for our General Advisor's husband.

Zeta Tau Alpha is proud of its members. Our sisters are very active in campus activities. Who is president of the Woman's Athletic Association and Secretary of Pi Gamma Mu? Who has four members on the Inter-Dormitory Council with two of these being secretaries in their respective dorms? Who is Greek Editor and Assistant Editor of the Yearbook? Who had three members serving as marshals for Elon's graduation exercises in August, 1970? Who was chairman of Parent's Weekend? Who is co-head of the cheerleading squad? Who else could it be but Zetas!

These are only a few of the things that make Zeta Tau Alpha the best sorority at Elon. May we always strive to "Seek the Noblest."

Steps: Mrs. Albert Gminder, Kathy Langston, Leslie Young, Janice Wood, Susan Caviness, Mary Ann Hampton, Carol Emmett, Edith Sanders, Susan Reider. *Porch:* Beth Nalley, Carol Leone, Charlotte Welch, Celeste Brady, Sally Venner, Lorraine Wilkinson. *Not Pictured:* Shay Kivett.

ALPHA PHI OMEGA

Alpha Phi Omega was founded in 1825 at Lafayette College by Frank Reed Horton with the purpose of this fraternity to assemble college men in a national service fraternity in the fellowship of the principles of the Boy Scouts of America as embodied in its scout oath and law, to develop leadership, to promote friendship and provide service to humanity, and to further the freedom that is our national, educational, and intellectual heritage.

Alpha Phi Omega is the largest service fraternity in the United States, consisting of over 100,000 men in more than 400 chapters. The Sigma Rho chapter, here at Elon, was founded in 1967 with sixteen charter members forming its nucleus.

In the way of service projects, we have helped in registration, and assisted a Boy Scout troop in Burlington.

Ground: Elmer Eley. Wall: Melvin Milton, Ted Nelson, Ray Bailey, Dr. George Troxler. Tree: Chips Chapman, Bob Synder.

The history of Iota Tau Kappa dates back to 1923, with its founding by Col. W. C. Elder, a native of Burlington, N. C. Since that date ITK has seen many fine years and accomplishments which would be too numerous to mention here. In the past few years the brothers of ITK have not only strived for social distinction, but also have gone on to help the college and the Elon community. For the second consecutive year ITK has sponsored the Bloodmobile, and ranks this as one of its major projects; last year the fraternity brought the portable chest x-ray unit to the campus. ITK also provided a Christmas party for the Elon College Home for children. This fall ITK was fortunate enough to acquire a fraternity

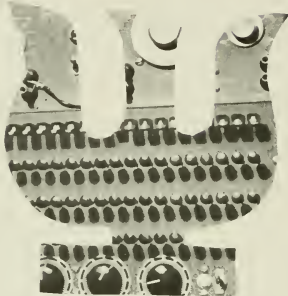

house on West College Avenue, a great addition to the organization. Also this fall ITK gained recognition with the winning of the over-all prize for the best Homecoming float and Talent Show; Miss Linda Reynolds served as ITK sponsor and fraternity Sweetheart. In November the fraternity played in football against the faculty with a portable t.v. given away as the door prize.

Although this past summer saw a number of casualties in the group with Steve Coffee, Keith Rawls, and Steve Locke all becoming members of another organization, marriage, the rest of the fraternity seems to be keeping their heads and maintaining their reputations as "The Losers."

IOTA
TAU
KAPPA

Kappa Psi Nu, one of the oldest fraternities at Elon, has risen from a year of unfortunate circumstances to regain its position on the campus.

Though strictly a social fraternity, Kappa Psi Nu in the past year has taken on a few service functions, the chief one being service in the school's two cafeterias. Also several of the brothers are working at the Elon home for children. Other brothers serve on various campus committees such as the IGC, SGA, OIOC, and SIS.

Kappa Psi Nu is also well represented in the athletic programs of Elon. Brothers are found on the football team, basketball team, baseball team, tennis team, golf team; and Kappa Psi is very active in the college intramural sports program.

Kappa Psi Nu also has been blessed with a super sister sorority, Sigma Sigma Sigma, which helped the brothers out through the trials and tribulations of last year. With their help in the past, the present spirit of brotherhood, and the future pledges, Kappa Psi Nu will remain what it has always been . . . # 1.

The Lambda Chapter of Sigma Mu Sigma was established on the Elon College Campus in 1952 with the help of the late Dr. William Mosely Brown. Sigma Mu Sigma claims the honor of being the first national fraternity at Elon. Since 1952, Lambda Chapter has grown from a service to a social-service fraternity providing both work and enjoyment for its members.

We feel that the Lambda Chapter should promote conduct constantly with good morals and good taste. We desire our fraternity to create an atmosphere which will stimulate substantial progress and superior intellectual achievement. The statements add to our philosophy in addition to our principles. Lambda Chapter provides the opportunity to develop friendship, develop co-operation through group discipline, and provide friendships which will be useful later in our social and

professional life. Although we hold this, we remind ourselves that our fraternity is not a means to an end, but an end in itself.

This year the Mu's are again putting out their annual Address Booklet. This has been a major service project for over twelve years, and has proven to be of great use to the Elon College campus. Also, our drive against Muscular Dystrophy proved a personal enjoyment for each of the brothers.

Social life was once again highlighted by the Harry Buffalo, Homecoming, Spring Weekend, and, of course, the Banquet.

Hats off to all graduating brothers: Joe, Dan, Jerry, Chris, and Dick. Welcome new brothers. Old brothers, Good Luck in '71-'72.

SIGMA
MU
SIGMA

Sigma Phi Beta Social Fraternity was founded in 1918, to create a bond of brotherhood between men on the Elon College campus. Sigma Phi was Elon's first fraternity and has continued to show initiative and leadership on campus through the 52 years of its history. This year Sigma Phi Beta became nationally affiliated with Sigma Phi Epsilon. Through our national affiliation we plan to improve our individual organization as well as the entire Greek system on campus.

Sigma Phi has always been able to claim one of the highest overall academic averages on the Elon campus. In our past we have had brothers interested in almost every activity on campus. The brothers have always been able to win recognition for themselves and their fraternity. But, even more impressive than academic and extracurricular achievements are the athletic achievements of the brothers of Sigma Phi. As one looks down the long list of Elon's football players, he will see that Sigma Phi has had more of its brothers on the list than any other organization on Elon's campus. In addition to football, Sigma Phi has had representatives on every other athletic team on Elon's campus. Most of these men from Sigma Phi have excelled in the sports they have participated in. The word "excelled" is the key to the preceding sentence as well as the key to the success of Sigma Phi. Sigma Phi Epsilon has just begun, but Sigma Phi Beta will never be forgotten.

SIGMA PHI EPSILON

TAU KAPPA EPSILON

Tau Kappa Epsilon fraternity was founded at Illinois Wesleyan University at Bloomington, Illinois, in 1899 and now ranks first among national Greek letter groups with the largest chapter rolls. The fraternity is accredited with 305 chapters located in colleges in all parts of the United States and Canada. Lambda Mu chapter of Tau Kappa Epsilon was the first national social fraternity on the Elon College campus. It was formerly the local fraternity Alpha Pi Delta founded in 1926. With more than forty members, TKE ranks number one on campus with total fraternity membership. Since Lambda Mu's installation in 1968, the group has participated in many community projects. These include a Christmas Cheer program, a yearly public service week-end, and the tutoring of the students of the Elon Home for Children. TKE school spirit has

been exhibited in many ways, which have helped us to win two school spirit awards.

TKE is proud of its vast membership and accomplishments of its members. Two Tekes have held the position as president of the SGA. Presently, Dean McBrayer holds the position as treasurer of the SGA. York Poole is now serving a two year term on the Honor Court. Bill Dressel is president of the Junior class and John Smith is a senator for the Sophomore class. Tom Balderson is a member of the Faculty Advisory Board for Sororities and Fraternities; Jeff Hansis is Attorney General of the Honor Court. Members of *Who's Who* include Jeff Hansis and Dean McBrayer. In the future Tau Kappa Epsilon will continue to go forward as it strives to maintain its position as number one on campus.

First Row: Clyde Ivy, Jeff Mantz, Bob Small, Tom Balderson, Dave Berchette, Mark Wickline, Ray McClure, Jeff Hansis, Eddie Quinlivan, John Smith. *Second Row:* Gary Overfelt, John Pulley, Tim Fowler, Dorson White, Buster Ingold, Dale Denton, John Riley, Jim Poole, Paul Meeker. *Third Row:* Randy Thompson, Charlie Davis, Dean McBrayer, Jon White, Bob Chambers, Gene Scotten, Chris Smith. *Fourth Row:* York Poole, Norman Lacerte, Tom Briggs, Bill Kellev Rex Nomevko. *Not Pictured:* Rodney Miller.

GUILFORD QUAKERS

Tragedy was the mode for the first conference game of the Christians as they lost on two different accounts. First, the Christians lost the game, a closely fought defensive battle. However, the major deficit came in the third quarter when Elon's number one signal-caller, Jackie Greene, was injured and lost for the season. Having to rely on capable but inexperienced quarterbacks, the Fighting Christians managed only one score which came from the foot of Grover Helsley. On the first play of the fourth quarter the Quakers pushed over the game's only touchdown which proved to be the margin of victory in the 10-3 contest.

PRESBYTERIAN BLUE HOSE

The score was 35-6 in Elon's fourth game which, as the three previous ones, was played on the opponent's homefield. History repeated itself in an unfortunate manner as the Christians witnessed the injury of quarterback Allan Parham. Sophomore Steve Rumley rose to the occasion and climaxed an 80 yard march to the goal line by passing to Ken Morgan, the only Christian in the end zone all afternoon.

CARSON-NEWMAN EAGLES

The Eagles of Carson-Newman winged by the Christians in Elon's first home game of the season.

The contest saw two Christian fumbles turned into scores for Carson-Newman, one a touchdown, the other a field goal. Grover Helsley was responsible for Elon's only scoring in the first two quarters when he split the uprights twice, one going

WOFFORD TERRIERS

In the initial contest of the season, the Christians were pitted against Wofford who was later to be ranked number one in the NAIA. By utilizing the triple option off offense, the Terriers of Wofford built up a half time tally of 29-0.

The second half saw the Christian defense adjust to Wofford's offensive thread and as a result, contained the Terriers to one touchdown.

Elon's first six points of the season were credited to Mike Lawton who was on the receiving end of an aerial from Jackie Greene. Halfback Eddie Williamson scored on a one yard plunge which gave the Christians their second and final score of the contest. Final: Wofford 36 Elon 12.

Don Kelly, Linebacker and Defensive End Coach

APPALACHIAN MOUNTAINEERS

The new Poly Turf field at Appalachian failed to produce what the Christians needed most, points. This was the first game ever played on Poly Turf in North Carolina.

The Christians, behind freshman quarterback Allan Parham, penetrated the Mountaineer defense numerous times, but touchdowns failed to materialize. Elon played well from the defensive side of the field, but fate seemed to favor the contingent from Boone who converted three fourth down plays into touchdowns. The final score was 21-0.

for 26 yards.

The statistics were relatively the same in this closely fought contest; but the statistics don't win the game, the scoreboard does, and it read Carson-Newman 16 and Elon 6.

CATAWBA INDIANS

Homecoming—it means a lot to both the fans and the college. It means more to those who play on the field. The maroon and gold clad Christians had one thing on their mind; victory over Catawba. Their efforts were acknowledged when the final gun sounded with the Christians thrilling 10-7 victory.

Elon reached the scoreboard in the second quarter on a field goal by Grover Helsley. The Indians scored late in the same period to take a 7-3 lead.

As tradition would seem to have it, Elon lost quarterback Steve Rumley, who left the game with an injured collarbone. Jimmy Twisdale, a freshman, entered the game and took over the signal-calling chores. With only three minutes left in the fourth period, Twisdale tossed a 39 yard scoring pass to David Rudder which gave Elon its first victory. Offense scores the points, but defense prevents them and the game saw Elon's defense intercept four passes and recover three Indian fumbles. Hats off to the entire squad in their successful homecoming performance against Catawba.

Jerry Tolley, Defensive Backfield Coach

LENOIR RHYNE BEARS

The torrential rain was not the only factor which dampened the spirit of Elon's supporters. It seemed after two periods of play that Elon's defense would be able to contain the Bears' single-wing offensive attack from scoring. However Lenoir-Rhyne in the third period converted a blocked punt into a touchdown. The closing minutes of play saw the Bears score another touchdown. The Lenoir-Rhyne defense completely halted Elon's offense in holding the Christians to only two first downs, and a final score of 13-0.

Mike Overton, Student Coaching Assistant

WESTERN CAROLINA CATAMOUNTS

Jimmy Twisdale piloted the Christians in the best offensive show of the year, picking up over 330 yards; however it wasn't good enough. Elon penetrated near the Catamount goal line, but a fumble and two intercepted passes cut short the chances of scoring more than once. Twisdale passed to David Rudder in the end zone during the third period for Elon's only score. In the fourth quarter Twisdale completed to Dennis Everette on the three yard line, but the Western defense stood firm and halted the Christians attempt for another touchdown. The final score was 17-0.

NEWBERRY INDIANS

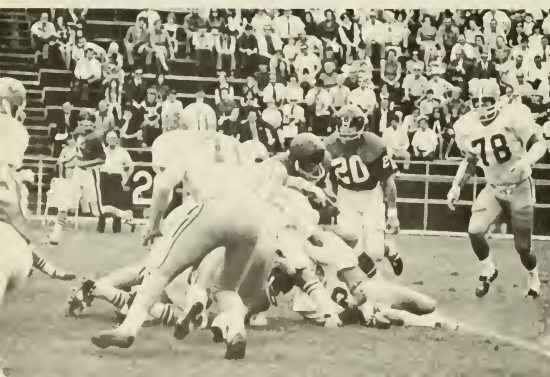

Newberry lost the ball six times via fumbles and Elon was able to convert two into scores; one a touchdown and the other a field goal. Helsley kicked a 27 yard field goal which was supplemented by a touchdown run from Mike Lawton as Elon posted their second victory of the season. The Elon defense held the Indians scoreless in all but the final period making the final score Elon 10, Newberry 6. Key performances were turned in by John Romano, Sam Key, Nick Angelone, and Steve Helms.

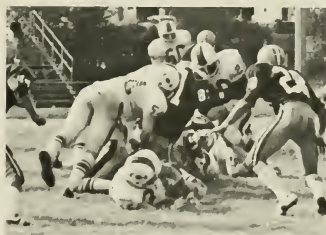

Clayton Johnson, Offensive Backfield Coach

GARDNER-WEBB BULLDOGS

Elon closed the football season with an impressive 30-12 victory over the Bulldogs of Gardner-Webb. The Christians were led by the superb performance of Mike Lawton, who scored three touchdowns and picked up in the process, 249 yards rushing. The game also saw Grover Helsley boot a 44 yard field goal. The last score of the season for the Elon team came from a 38 yard pass from quarterback Jimmy Twisdale to David Rudder.

STUDIES IN LONDON 1970

The Departments of English and History offer a course in London, England during the winter term. The course includes tours to Canterbury, Windsor, Stratford-upon-Avon as well as many historical places in London, museums, art galleries, and theatres.

OUTSTANDING PROFESSOR

Dr. Ferris E. Reynolds

1969-1970

The highest honor that can be given to any professor at Elon College by the student body, the award for "Most Outstanding Professor," was presented for 1969-1970 to Dr. Ferris E. Reynolds, chairman of the Department of Religion. To his students, this year's recipient of the award is known affectionately as "Doc" Reynolds. His quiet but friendly manner makes him popular both in and out of the classroom. Not only is Dr. Reynolds an active part of Elon College, but he also is an asset to the Elon College area. For his continued interest in and service to both the college and the community, the staff of the *PHI PSI CLI*, on behalf of the student body of Elon College, extends to Dr. Reynolds our thanks and congratulations.

Lee Loy, President of the SGA, congratulates Dr. Reynolds.

WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

1970-1971

During each academic year, outstanding student leaders from one thousand colleges and universities in the United States are chosen on the basis of their above average academic standing, services to the community, leadership in extra-curricular activities, and future potential. These students make up *Who's Who Among Students in American Universities and Colleges*. This year fourteen members of the Elon College student body have been recognized by this honorary society.

THE LYCEUM PROGRAM SERIES

Yass Hakoshima, Mime

Through the efforts of the Lyceum Committee and the Visiting Scholars Program, the intellectual life on the Elon Campus is greatly enriched. The organizations, by a series of programs and lectures, broaden the students understanding of art and contemporary affairs. Famous personages from the art world and many distinguished lecturers are featured in the series.

THE VISITING SCHOLARS PROGRAM

Charles H. Shattuck

Richard Kraus

Moddie Taylor

Patrick M. Hurley

THE LIBERAL ARTS FORUM

The Liberal Arts Forum is a student sponsored and student oriented committee directed by Dr. James P. Elder, faculty advisor. The primary function of the Forum is to foster intellectual interest through a series of monthly lectures presented by distinguished scholars; and an annual symposium in the spring concludes the lecture series. The programs sponsored by the Forum are distinguished by the concentration of the lectures on the humanities instead of an entire interest on contemporary issues. For the 1970-1971 college year, the Forum introduced in its series of monthly lectures, such outstanding lecturers as Dr. O. B. Hardison and James Roosevelt. Dr. Hardison completed a series of six lectures presented over the past several years; a series to be published under the auspices of the Liberal Arts Forum. In the spring, the Forum presented its annual symposium, "Studies in the Humanities." The Liberal Arts Forum, with its honored tradition for the presentation of exceptional programs, has earned for itself, a distinguished and unique position among the colleges and universities in America.

GOOD LUCK, CLASS OF 1971

Slater School and College Services wishes to thank the members of the graduating class of 1971 for their patronage — to say farewell, good luck, and good health.

Your school's administration realizes that classroom performance often depends on planned nutrition. Through A.R.A. Slater, they have wisely invested in quality, prepared and served in friendly style.

We hope that you have enjoyed Slater meals and service and that mealtime provided a pleasant social break in the day's busy routine. From all of us, good luck and good health in the years ahead!

The year of 1971 has brought many changes both good and bad. As we approach the end, we cannot help but reflect on the events and the people which made it what it was. The 1971 *Phi Psi Cli* is, in itself, an expression of these reflections. The knowledge, both academic and social which we have gained through our experiences here, will have endless value as we face new experiences. Much time and effort have brought our college years to a close. Hopefully all our efforts have readied us to meet the challenge of a changing world, with perhaps, better solutions to its problems. With these thoughts in mind, we leave Elon, anxious to add our own expressions to the world. Expression is Elon 1971.

Patricia Jones, Editor
Phi Psi Cli 1971
